## AFRODESIA

Somewhere between Bob Marley strumming languid chords in a hammock and Nat King Cole enchanting a midnight house party by the river, Afrodesia extends an open invitation into the newborn soul of righteous music. A fresh combination of decadent rhythms, universal lyrics, and untamed melodies, this eclectic band challenges audiences to make the world a smaller place through music that promotes unity and respect. Since its beginning in 1996, Afrodesia has positioned itself in the vanguard of conscious live music.
